Sir,

I have the honor to acknowledge receipt of your docket No. 5780 E.573 with its enclosure requesting me to report the cash Balance now on hand.

2. I submit herewith a preliminary Cash Balance as it stood on 1st Instant. It will be found that our balances are better by about 4 lacs than it was on the corresponding date of last year.

3. As the Public Works Department will draw the excess of 5 lacs required not all at once but only in monthly instalments on letters of credit and as the collection Season has already commenced, the excess demand may be met from our own Treasury Balances without the necessity for any special arrangement

4. As I have not been instructed by you with what object I should see the Chief Engineer and on what points I should seek information or instructions from him, I have not thought it necessary to trouble Col. Mc.Neil Campbell with a visit on this subject.

5. The enclosure to your docket is herewith returned as requested.
